Richard James are delighted to welcome to the market this extremely rare opportunity to acquire a fully renovated corner plot bungalow in the ever popular area of Stratton.

The current owners have improved the home significantly from top to bottom over the years both internally and externally.

Upon entry you are greeted by a welcoming entrance hall with a feature roof light flooding the space with natural light. The kitchen is the real hub of the bungalow with a feature island with ample space to host friends and family. There are bifold doors from the kitchen out onto the beautifully landscaped garden providing that indoor/outdoor living experience. The living room is of fantastic size allowing ample space for a large dining table also, the owners created an opening between this room and the kitchen to create an open plan flow, again perfect when hosting.

You will find two bedrooms on the ground floor along with the family shower room, all of these are again extremely well presented.

The master bedroom is located upstairs with the help of a dormer extension. This room really does give that hotel room vibe with fitted wardrobes and a stunning en-suite with both a freestanding bath and shower.

Externally the home benefits from a new roof, rendering, new windows and doors, landscaped garden and a newly built garage/store room.
