Blunston village benefits from a community run shop and two public houses, in addition to Flame Restaurant and many leisure facilities at the Blunston House Hotel. There is a local school, St Leonards CE Primary, and both Warneford secondary school in Highworth (4 miles) and Farmors secondary school in Fairford (10 miles) have bus services running through the village. With good road links via the A419 to the M5 and M4, and Swindon railway and bus stations, circa five miles, providing regular links to London (within an hour) this is a superb opportunity to get the best of both worlds just outside the main Town.
