GROVE FARM

GROVE FARM, BINCKNOLL LANE, ROYAL WOOTTON BASSETT SN4 8BD

Grove Farm is a collection of 10 beautifully crafted new homes ranging from three to four bedrooms, located in the market town of Royal Wootton Bassett in north Wiltshire.

Often referred to by the locals as 'Bassett' this wonderful town was granted the "Royal" prefix in recognition of the role its town and people played in the repatriation of UK service men and women killed as a result of war. This friendly Wiltshire town offers a weekly market, monthly farmers market and an abundance of places to eat and drink amongst an interesting variety of shops.

The town boasts a well-regarded secondary school, Royal Wootton Bassett Academy, which was historically presented with an 'Outstanding' OFSTED Rating. There are four primary schools: St Bartholomew's Primary Academy (formerly C of E Primary School), Longleaze Primary School, Noremarsh Junior School and Wootton Bassett Infants' School.

The Historic Market Town of Royal Wootton Bassett was a Saxon Holding in 681 and Recorded in the Domesday Book in 1066

HOW TO FIND US

Please note that the specification was correct at the time of going to print but Ashford Homes continually review their specifications and reserve the right to make any changes. The measurements have been taken from the plan provided but there may be variations in the final build. For the keen amblers and walkers, Jubilee Lake is in close proximity and is a natural habitat for a variety of wonderful wildlife. Nearby, you'll discover Broad Town which is where Wiltshire's most northerly White Horse figure carved in the chalk hillside can be found. A great way to explore the area is to follow the Royal Wootton Bassett and Cricklade villages town trail.

The larger regional centre of Swindon lies five miles to the east of the development, providing excellent transport links with a mainline train service to London Paddington every 20 minutes, with a journey time of approximately 55 minutes. Grove Farm is conveniently located only two miles away from Junction 16 of the M4 and with a mere thirty minute drive to Cirencester (Capital of the Cotswolds), Royal Wotton Bassett couldn't be more finely located.

*Jubilee Lake Nature Reserve:

A PROUD HISTORY

We want you to buy and move into your home with absolute confidence, so you can enjoy it fully from day one. From the moment the sale is agreed we will work with you to take care of every detail and keep you informed.

Ashford Homes has been crafting beautiful homes in the South West for over 30 years. Quality, service and professionalism are at the core of everything we do.

We are very proud of our reputation for building innovative, thoughtfully designed homes with generous living spaces, close attention to detail and high-quality workmanship.

Our goal has always been to build homes of unrivalled quality and specification that stand the test of time, and that our customers are proud to call 'home'.

Our homes are individually designed and built to the highest standards using a skilled and dedicated local team. When you buy from us you have the added reassurance of a 10 year structural warranty policy from LABC. This means that your new home is insured against any structural defects for the first 10 years.

“I wanted to tell you how pleased I am with my new home. The design of the house is great and unlike many new builds I have seen, Ashford Homes seem to have thought about space and light. In addition I want to say that both your site manager and your sales manager have both been more than helpful in the two months since I have been in my new home. Thanks for all your help.”

Mrs N

“Thank you so much Ashford Homes. I love my new house. Every part of the moving process was handled with care and efficiency and most importantly the quality and finish of the house is superb. Nothing has been too much trouble, either before or after the move, and that kind of service is hard to find in any industry let alone the housing industry. Having had such a great experience, I wouldn't want to buy a new home from anyone else.”

Mr D

“My wife and I are delighted with our purchase, location and quality of build are top quality. One of the best features of our dealings with Ashford Homes has been the friendliness and availability of your staff and directors.”

Mr and Mrs V

“Ashford Homes are definitely one of the best developers in the area. We've looked at lots of new builds and none of the others come anywhere near the quality and finish of Ashford Homes. They go over and above on build spec and offer a really friendly aftercare service.”

Mr S

“The quality of finish throughout the house, as well as the high standard of fixtures and fittings and the professional, caring attitude of the staff involved are but a few of the highly recommendable traits of an Ashford Homes property.”
