CANADA HEIGHTS

A high-spec collection of 2-4 bed, contemporary homes

WELCOME TO CANADA HEIGHTS

Canada Heights is an exclusive new development of 14 architect-designed contemporary homes located in the heart of Faringdon, Oxfordshire.

Set within its own quiet cul-de-sac on the edge of the town's Conservation Area, Canada Heights is ideally situated, being within only a short walk of the historic Faringdon Market Place and to public footpaths across nearby fields -so that's coffee out with friends followed by a dog walk!

The development gives a range of living options, from stylish 2 bedroom homes to 4 bedroom townhouses, all offering a refreshing approach to modern living, energy efficiency and high-end finishes blending with the embracing community of an historic market town.

BRIDGEFORD HOMES

Bridgeford Homes was established in January 2022 by Jon Slattery & Graham Mundy, in collaboration with Kelly-Ann Pendle. A talented and tight-knit team which prides itself on attention to detail throughout the design, construction and after sales service.

Born from a desire to build high quality, welcoming family homes with high end specifications, Bridgeford Homes brings together a wealth of knowledge and experience from its founders.

Bridgeford Homes properties combine traditional building skills and craftsmanship with modern technology to provide sustainable efficient and modern living.

Canada Heights follows on from Bridgeford Homes successful inaugural development in Watchfield, Oxfordshire.

THE VALE OF THE WHITE HORSE

Named after the ancient chalk carving on White Horse Hill above nearby Uffington village, the Vale region stretches from the Lambourn Downs to the south, the Thames to the north and across to the western edge of Oxford city.

Along the way it embraces a wide and varied countryside with period market towns and picturesque villages appealing to those who love the English countryside at its best.

For those who enjoy being outdoors, close by are two national walking trails, the Ridgeway and the Thames Path, numerous National Trust properties including Buscott Park and Ashdown House, the home of William Morris at Kelmscott Manor, sailing and boating at Bowmoor Lake, the Thames and Farmoor Reservoir and numerous riding stables and livery yards.

Fine dining is close at hand at the recently fully refurbished Old Crown in the Market Place and at the Sudbury House Hotel along London Street. In addition, there are numerous charming village pubs and restaurants nearby, while Oxford, just 20 miles away, boasts its famous colleges, theatres, and an array of culinary and retail options.
