This beautifully improved and extended four/five-bedroom semi-detached house has been thoughtfully upgraded from top to bottom, offering the perfect balance of space and modern living for a growing family.

As you enter the property, you'll be greeted by a stunning kitchen/breakfast room, complete with ample space for dining at the rear, making it an ideal spot for family meals and entertaining. The spacious sitting room offers plenty of room for relaxation, with a dedicated playroom at the rear for younger children to enjoy.

Upstairs, the first floor boasts three well-proportioned bedrooms, including a master suite with fitted wardrobes and a luxurious, refitted ensuite. A modern family bathroom is also conveniently located on this floor.

The top floor offers two additional generous bedrooms, one of which is currently used as a dressing room but can easily be adapted for any purpose. This room is complemented by its own ensuite, providing a sense of privacy and space.

Outside, the low-maintenance garden is a real highlight, featuring artificial turf and a paved patio area—perfect for outdoor dining or relaxing. The garage has been partially converted but still offers practical storage, and there's a driveway providing off-road parking.
